ABDULRAHMAN ONIFADE OPEYEMI

No. 1, Pedro Street, Iwaya, Yaba, Lagos. abdulonifade02@gmail.com | 09058648898

PROFESSIONAL SUMMARY

Architectural Technology professional with practical experience in architectural design development, working drawings, technical documentation, site measurement, 2D drafting, 3D modelling, visualization, and construction coordination. Contributed to 8 architectural projects across residential, commercial, renovation, institutional, and landscape design, producing detailed drawings and working documentation using AutoCAD and SketchUp. Led design development for an Islamic Centre from concept through detailed drawings and completed a 2-bedroom semi-detached duplex design package 4 days ahead of deadline. Combines architectural design capability with practical construction-site experience and strong visualization skills.

PROFESSIONAL EXPERIENCE

BYRHALIA LIMITED — Yaba, Lagos State.

Assistant Project Coordinator (Sept 2025 – Present)

- Coordinated daily site operations across residential, commercial, renovation, and interior fit-out projects.
- Supported coordination of a 7-storey residential development with a 15+ person site team, ensuring site execution followed architectural and structural drawings and project requirements.
- Coordinated labour and subcontractor activities and monitor execution against project documentation.
- Reviewed site activities against architectural drawings and project specifications and escalate discrepancies for appropriate action.
- Prepared and updated Programs of Work, work schedules, site reports, and project documentation.
- Processed and track material requests and conduct material checks to support construction activities.
- Collaborated with project managers, consultants, vendors, contractors, and other stakeholders.

HENGEE GLOBAL — Offa, Kwara State.

Junior Architect (Jan 2025 – Sept 2025)

- Contributed to 8 architectural projects across residential, commercial, renovation, institutional, and landscape design.
- Produced approximately 2–3 detailed construction drawings weekly, including plans, sections, and elevations, using AutoCAD and SketchUp.
- Prepared working drawings and architectural documentation for project development and construction.
- Led design development for an Islamic Centre, comprising a prayer hall, ablution facilities, and ancillary spaces, from concept through detailed drawings.
- Completed a 2-bedroom semi-detached duplex design package 4 days ahead of deadline, using 3D visualization to accelerate design communication and client review.
- Participated in site measurements, site analysis, and existing-condition documentation.
- Collaborated with architects, engineers, contractors, and other project participants throughout project development.
- Produced 3D models and visualizations using SketchUp, V-Ray, and Twinmotion for residential, institutional, and landscape projects.
- Used Chief Architect for interior modelling and Adobe Photoshop for image enhancement and presentation development.
- Maintained organized architectural project documentation, including drawings, contracts, and correspondence.

GOVERNMENT SCIENCE & TECHNICAL COLLEGE — Abeokuta, Ogun State.

Technical Drawing Instructor (Aug 2023 – June 2024)

- Developed and delivered structured lessons in technical.
- Taught orthographic projection, isometric drawing, and geometric construction.
- Managed classroom activities and ensured an effective learning environment.
- Collaborated with staff to improve curriculum and integrate real-world applications.

JB REALTY ARCHITECTURAL FIRM — Offa, Kwara State

Architectural Intern (Mar 2018 – Mar 2020)

- Assisted in developing architectural drawings and design concepts.
- Conducted research on building codes, zoning laws, and material specifications.
- Produced 2D drawings and 3D models for client presentations.

EDUCATION

Federal Polytechnic, Offa — HND Architectural Technology (2021 – 2022)

Yaba College of Technology — ND Architectural Technology (2016 – 2018)

ARCHITECTURAL & TECHNICAL SKILLS

Architectural Design | Design Development | Working Drawings | Architectural Drafting | Technical Drawing | Construction Documentation | Architectural Documentation | Site Analysis |Site Measurement | 2D Drafting | 3D Modelling | 3D Visualization | Architectural Presentation |Design Coordination

SOFTWARE SKILLS

AutoCAD — Very Proficient

SketchUp — Very Proficient

Twinmotion — Very Proficient

Chief Architect — Very Proficient

Adobe Photoshop — Very Proficient

Adobe InDesign — Fairly Proficient

Revit — Fairly Proficient; currently developing further proficiency

INTERESTS

Writing, Reading, Photography, Music, Sports, Travelling, Drawing
