PROFESSIONAL SUMMARY

Licensed Nigerian Medical Radiographer with a B.Sc. in Radiography and hands-on experience in general radiography and CT imaging. Experienced in patient positioning, CT procedures, contrast-enhanced CT support, IV cannulation, PACS/RIS, radiation safety and patient-centred care. Comfortable working in busy clinical environments, communicating with patients and collaborating with multidisciplinary teams. Currently exploring opportunities to practise in Australia and progress through the relevant Australian registration pathway.

CORE CLINICAL SKILLS

• General Radiography & Patient Positioning • CT Imaging & Contrast-Enhanced CT Support
• IV Cannulation for Contrast Administration • Radiation Protection & Safety
• PACS & Radiology Information Systems (RIS) • Patient Preparation & Communication
• Image Quality & Diagnostic Imaging Workflow • Infection Prevention & Control

PROFESSIONAL EXPERIENCE

National Orthopaedic Hospital, Enugu — Intern Radiographer | March 2025 – February 2026

- Assisted with X-ray, CT and other diagnostic imaging procedures while following departmental protocols and radiation safety measures.
- Positioned patients accurately for examinations to obtain diagnostic-quality images while maintaining comfort and safety.
- Assisted with contrast-enhanced CT examinations, including patient preparation and monitoring during imaging.
- Performed IV cannulation for contrast administration in line with safety and infection-control procedures.
- Used PACS and RIS to enter patient information and manage imaging records accurately.
- Explained imaging procedures to patients, answered questions and supported patient cooperation throughout examinations.

University of Nigeria Teaching Hospital (UNTH), Ituku-Ozalla, Enugu — Clinical Placement | January 2021 – March 2024

- Assisted with X-ray, CT and other diagnostic imaging procedures under the supervision of qualified radiographers.
- Developed practical skills in patient positioning, image acquisition, patient communication and safety.
- Used PACS and radiology information systems to record patient details and manage imaging records.
- Adapted to technical issues encountered during imaging procedures and supported efficient workflow.

Good Shepherd Hospital, Enugu — Additional Clinical Placement | August 2021 – March 2024

- Gained additional exposure to general radiography, patient care, positioning and clinical imaging workflow.

EDUCATION

B.Sc. Radiography — University of Nigeria, Nsukka (Enugu Campus) | October 2024

West African Senior School Certificate Examination (WASSCE) — Divine Love Secondary School, Enugu | May 2018

REGISTRATION & CERTIFICATIONS

- Registered/Licensed Medical Radiographer — Radiographers Registration Board of Nigeria (RRBN)
- Board-Certified CT Specialist
- Certificate in IV Cannulation

PROFESSIONAL ATTRIBUTES

Attention to detail • Adaptability • Communication • Time management • Problem-solving • Teamwork • Ability to work under pressure • Willingness to learn
