AYANSOLA OLAWALE TIMOTHY

37, Raimi Street, Abule Egba Bus Stop, Lagos, Nigeria | 08138375240 | Justolawale@gmail.com

CAREER OBJECTIVE

Proactive Production Assistant with an ND in Science Laboratory Technology and over 5 years of experience in paint manufacturing at Meyer Paints Plc. Skilled in paint production operations, batch mixing, quality checks, equipment handling, documentation, and safety compliance. Seeking a Production Assistant role where I can contribute my practical factory experience and technical skills.

WORK EXPERIENCE

Lab Production Support – Meyer Paints Plc | Lagos | 2020 – Present

- Assisted the production team in daily batch formulation and mixing of emulsion, gloss, and industrial paints.
- Weighed and dispensed raw materials including resins, pigments, solvents, and additives according to approved formulas.
- Operated production and laboratory equipment including disperser, high-speed mixer, and viscometer.
- Conducted in-process quality control checks including viscosity, pH, colour shade, and drying time.
- Ensured correct product labelling, batch coding, and filling operations.
- Maintained production logbooks, material usage reports, and stock balances.
- Supported HSE and 5S practices within the production area, contributing to a zero-accident record.

EDUCATION

National Diploma (ND), Science Laboratory Technology
Lagos State Polytechnic | 2015 – 2018

CORE SKILLS

- Paint Production: Batch Mixing, Dispensing, Milling, Tinting
- QC Support: Viscosity Testing, Colour Matching
- Equipment: Disperser, High-Speed Mixer, Viscometer, pH Meter
- Inventory Management, Batch Documentation, HSE Compliance
- Teamwork, Time Management, Attention to Detail

STRENGTHS

- Over 5 years of direct paint factory experience.
- Available to work shifts; fast learner and physically fit for factory operations.

CERTIFICATION

- HSE Level 1
