PROFESSIONAL EXPERIENCE

Accountant
Generation Capital Limited June 2026 – Present

- Prepared monthly, quarterly, and annual financial statements while maintaining the general ledger, processing journal entries, and performing bank and ledger reconciliations to ensure accurate and timely financial reporting.
- Managed end-to-end loan portfolio accounting by recording loan disbursements, repayments, accrued interest, recoveries, and reconciliations, while preparing loan ageing reports and monitoring portfolio performance.
- Prepared management reports, budgets, cash flow forecasts, and financial analyses to support strategic decision-making, profitability assessment, and effective cost management.
- Ensured compliance with statutory and regulatory requirements by preparing tax returns (VAT, PAYE, Withholding Tax, and Company Income Tax), supporting external audits, and maintaining accurate accounting records in line with applicable standards.
- Strengthened financial controls by implementing internal control procedures, monitoring cash management activities, resolving accounting discrepancies, supporting fraud prevention initiatives, and ensuring adherence to company financial policies.
- Improved operational efficiency by utilizing accounting software and advanced Microsoft Excel tools to automate financial reporting, maintain accurate financial records, support fixed asset accounting, and provide financial insights to management, investors, and regulatory stakeholders.

Junior Accountant
Megastar Technical and Construction Company March 2026 – May 2026

- Supported payroll processing by reviewing time-sheets and ensuring accurate wage calculations for site workers and staff.
- Maintained accurate accounting records by posting journal entries and updating ledgers in line with accounting standards.
- Monitored inventory and usage of construction materials to minimize waste and control costs.

- Conducted bank reconciliations to ensure accuracy between financial records and bank statements.
- Assisted in preparing monthly financial reports and documentation for audits and compliance purposes.
- Collaborated with senior accountants and project managers to provide financial insights for decision making.

NYSC Intern
Ministry of Finance May 2025 – March 2026

- Analyzed financial reports and financial data to identify trends, discrepancies and areas of concern.
- Assisted in scheduling meetings, organizing files and handling correspondence.
- Organized and maintained financial documents and reports to ensure compliance with government regulations.
- Generated periodic reports on the Ministry's activities such as spending and projects.
- Attended seminars, training and workshops related to finance, economics, public policy and government management.

Account Officer
ChyBest Industries Limited June 2024 – March 2025

- Maintained records of cash sales and credit sales.
- Prepared the relevant books of accounts [Cash book, Account Receivables, Account Payable]
