PROFILE

Product designer with 8+ years of experience turning complex problems into simple, useful digital products. I combine research, systems thinking, and close engineering collaboration to ship experiences that create measurable customer value.

EXPERIENCE

Delivery agent 2025 — Present

Ancient African kitchen · Festac town

Lead end-to-end design for a B2B analytics platform used by 40,000+ teams. Built the company's first design system, reducing delivery time by 30%, and mentored three product designers.

House keeper 2023 — 2025

Expandable stores · Lagosisland

Partnered with product and engineering to launch collaboration tools across web and mobile. Led customer research and prototyping that improved activation by 18%.

SELECTED PROJECTS

Open Design Notes opendesignnotes.com

Creator & writer

A practical newsletter about product craft, systems, and responsible design read by 6,000+ designers.
