EFFIONG JOSHUA

Uyo, Nigeria | 08032844247 | princejoshua513@gmail.com

PROFESSIONAL SUMMARY

Versatile and detail-oriented Architecture student and multi-disciplinary Creative Professional with a strong foundation in architectural drafting, plumbing systems, and visual communication. Combines advanced proficiency in graphic design and AI prompting with practical hands-on construction experience. A collaborative team player with exceptional interpersonal skills, adept at translating complex creative and technical concepts into precise, high-quality deliverables.

WORK EXPERIENCE

Computer Operator / Graphic Designer

2022 – 2025

Peterson Computer — Uyo, Akwa Ibom State

- Managed daily computer operations, document processing, and administrative workflows utilizing Microsoft Office packages.
- Designed engaging marketing collateral, brand assets, flyers, and promotional materials tailored to client specifications.
- Utilized modern AI prompting techniques to enhance graphics, streamline image processing, and optimize project outputs.

Draftsman / Plumbing

2019 – 2021

Adex Construction — Ikorodu, Lagos

- Produced architectural and technical drafts, ensuring precision in layout planning and construction documentation.
- Assisted with plumbing installations and system planning on-site, aligning mechanical layouts with structural designs.
- Collaborated closely with site engineers and construction crews to maintain project accuracy and timelines.

Graphic Designer

2018 – 2021

Graphic Embassy — Ikorodu, Lagos

- Created visual brand identities, promotional flyers, and corporate marketing materials.
- Translated client briefs into compelling visual solutions using CorelDraw and layout design principles.
- Managed end-to-end print production workflows, ensuring high-quality output and color accuracy.
