## PROFESSIONAL EXPERIENCE

### Regional Operations & Logistics Lead
### CHUMEZ AUTO AND SHIPPING (USA / Nigeria Operations)

*2021 – 2026*
*South-East & South-South, Nigeria*

- **Warehouse Administration:** Direct centralized warehouse facility management, coordinating stock positioning, product sorting, layout optimization, and physical inventory tracking with zero volume discrepancies.
- **Logistics Procurement:** Oversee regional distribution procurement cycles, sourcing and negotiating contracts with haulage operators, local transit fleets, and fulfillment partners to minimize per-unit delivery spend.
- **Last-Mile Delivery:** Mastermind delivery logistics and distribution networks serving business and individual client accounts across multiple South-East and South-South states.
- **Consolidation Operations:** Synchronize the receipt of high-volume international freight arrivals at secondary distribution hubs, managing inbound intake without handling direct customs clearance processes.
- **Performance Tracking:** Utilize advanced Microsoft Excel models to report operational key performance indicators (KPIs), fleet turnaround times, delivery status logs, and physical asset protection data directly to executive management.

### Assistant Head of Operations / Multi-Role Career
### FIRST CITY MONUMENT BANK (FCMB)

*2008 – 2021*
*Port Harcourt, Rivers State*

- **Operations Management:** Supervised physical branch banking asset inventory, including vault cash and high-value negotiable instruments, sustaining flawless, zero-variance standard audit ratings.
- **ATM Supply-Chain Custody:** Governed strict dual-custody logistics channels for multi-site cash distribution systems; integrated proactive demand forecasting algorithms to balance operational risks.
- **Financial Reconciliation:** Executed daily and monthly balance-sheet alignment between digital core ledgers (Finacle) and physical holdings, eliminating accounting exceptions.
- **Regulatory Compliance:** Enforced absolute adherence to Central Bank of Nigeria (CBN) operational codes, anti-fraud frameworks, and corporate cash-handling directives.
- **Functional Desk Oversight:** Managed end-to-end foreign-exchange processing (FX Desk), clearing cycle settlements (NEFT/RTGS), teller performance auditing, and client service resolution pipelines.
