GODSWILL UKPE

ACADEMIC PROFESSIONAL | SCIENCE EDUCATOR | ICT & TECHNOLOGY PROFESSIONAL

Phone: 08167142134
Email: clogodswillukpe@gmail.com
Location: Lagos, Nigeria

PROFESSIONAL PROFILE

A dedicated academic professional and technology-oriented educator with over 10 years of combined professional experience across education, science, information and communication technology, and technical services. Possesses strong academic qualifications, including B.Sc. and M.Sc. degrees, alongside Teachers Registration Council of Nigeria (TRCN) certification.

Experienced in teaching Mathematics, Physics, Chemistry and Biology across different educational levels, with additional experience in integrating ICT, digital learning resources and emerging technologies into teaching and learning. Passionate about STEM education, artificial intelligence, digital innovation and technology-driven academic development.

CAREER OBJECTIVE

To contribute to a reputable academic institution or technology-driven organisation by applying my expertise in science education, ICT, digital technology and academic development while promoting innovation, research, critical thinking and effective learning.

EDUCATIONAL QUALIFICATIONS

- **Master of Science (M.Sc.)** – 2014
- **Bachelor of Science (B.Sc.)** – 2010
- **Teachers Registration Council of Nigeria (TRCN)** – 2021

PROFESSIONAL DEVELOPMENT & CERTIFICATIONS

- Diploma in Data Engineering.(2015)
- Cisco Networking Administration.
- Advanced Diploma in Telecommunications Engineering and System Repairs.

- Professional Training in Computer Systems and Technical Support.
- Teacher Professional Development and Educational Practice.

ACADEMIC & TEACHING EXPERIENCE

AI School, Sangotedo, Lagos
Academic and Technology Educator | 2026 – Present

- Deliver online and physical lessons across different educational levels.
- Teach Mathematics, Physics, Chemistry and other science-related subjects.
- Support Nigerian and British curriculum delivery.
- Integrate digital learning resources and technology into classroom instruction.
- Promote STEM education, computational thinking and technology awareness.
- Support innovative and technology-assisted learning programmes.

Miva Open University – Science Department
Lecturer II | 2024 – 2025

- Delivered academic instruction in Mathematics, Physics, Chemistry and Biology.
- Prepared lesson materials and supported students' academic development.
- Facilitated effective teaching and learning through structured instructional methods.
- Encouraged analytical thinking, scientific reasoning and practical problem-solving.

Additional Teaching Experience | 2022 – 2024

- Taught Physics and other science-related subjects.
- Prepared students for examinations and academic assessments.
- Developed instructional materials and supported effective classroom management.

ICT & TECHNOLOGY EXPERIENCE

- Basic data engineering principles and data management.
- Computer networking and network administration.
- Computer hardware, software installation and troubleshooting.
- Telecommunications systems and technical support.
- Computer systems maintenance and repairs.
- Digital technology integration in education.
- Interest and developing competence in artificial intelligence, automation and emerging technologies.

PROFESSIONAL PATHWAY

My professional development combines three interconnected areas:

1. **Academic Development:** Science education, teaching, curriculum delivery, student development and academic instruction.
2. **ICT & Digital Technology:** Data engineering, computer networking, telecommunications and computer systems support.
3. **Emerging Technologies:** Artificial intelligence, educational technology, digital transformation and technology-driven innovation.

CORE COMPETENCIES & STRENGTHS

- Academic instruction and curriculum delivery.
- Mathematics and science education.
- ICT integration and digital literacy.
- Computer networking and technical support.
- Data management and analytical thinking.
- STEM education and technology innovation.
- Research, communication and problem-solving.
- Adaptability, teamwork and professional development.
