ABOUT MYSELF

Dedicated Graduate Architect with hands-on experience in architectural design, building construction and project supervision.

Experienced in translating client requirements into practical and innovative design solutions, overseeing construction activities to ensure compliance with design specifications an industry standards. Passionate about continuous learning, professional growth and collaborating with multidisciplinary teams to deliver outstanding project outcomes.

WORK EXPERIENCE

11/2025 - CURRENT - AWKA, ANAMBRA STATE, NIGERIA

GRADUATE ARCHITECTSELF EMPLOYED

Developed architectural designs and construction drawings for residential and commercial projects, prepared design presentations, working drawings and project documentation, coordinated with clients, contractors and other construction professionals throughout project execution. Currently involved in a renovation of five bedrooms bungalow at the carcass stage where i contribute to design development, project coordination and site supervision.

I am passionate about delivering functional and innovative design solutions and am eager to explore new opportunities that will enable me to further and develop my professional skills. I thrive in collaborative environments and enjoy working with multi disciplinary teams to achieve high quality project outcomes.

12/2024 - 11/2025 - ENUGU, NIGERIA

SITE MANAGERMEJICO AND PACO VENTURES LTD

Managed daily site operations, coordinated labor, materials, and equipments. Ensured compliance with plans, specs, safety regulations, monitored progress and reported to clients. Managed subcontractors, suppliers and maintained site safety and quality standards. Also troubleshooted issues and resolved problems.

My supervision successfully led to the establishment of an Estate Security Gatehouse and Perimeter fencing.

08/2023 - 11/2024 - AWKA, ANAMBRA STATE, NIGERIA

INTERN ARCHITECTHOUSE MASTER CONTINENTAL

Assisted in design development and drafting. Also conducted site visits and inspections. Collaborated with senior architects, engineers, prepared and reviewed drawings and documents. Assisted with project coordination, management, researched and implemented design solutions.

I successfully supervised some projects till it's completion such as; A multi-purpose auditorium, a chapel and renovation of a dilapidated church structure.

11/2019 - 12/2020 - ENUGU STATE, NIGERIA

I.T TRAINEENC CONSULTS

Supervised workers and subcontractors. Also coordinated with project managers and engineers, ensured safety protocols and were followed, monitored progress and reported issues. Managed site logistics and organisation, conducted quality checks and inspections, facilitated communication among teams.

As an I.T trainee and with the directives of my superior(trainer), my supervision successfully led to the establishment of a three bedrooms all ensuite bungalow, A semi detached block of flats and a four bedroom all ensuite duplex.
