WORK EXPERIENCE

StylebyTeehi
Production Manager
July 2025 – Present

- Managed the design team of 8 in creating seasonal collections, developing sketches, mood boards, and material palettes aligned with brand vision.
- Overseeing production workflow management by tracking budgets, communicating with vendors, and monitoring quality control processes.
- Engaging in brand presentations and fashion show preparation, contributing to visual merchandising and styling decisions.

Renoni Fashion House
Fashion House Manager
Jan 2025 – June 2025

- Oversaw design team of 8, driving the creation of innovative collections that increased sales by 25%.
- Managed production timelines and budgets, collaborating with suppliers to reduce costs by 10%.

- Led brand strategy presentations and fashion shows, enhancing Renoni's market presence.

House of Maufachi
Fashion House Manager
Aug 2024 – Jan 2025

- Designed innovative seasonal collections, boosting customer engagement by 20% through trend driven concepts.
- Collaborated with teams to oversee production, source sustainable materials, and reduce costs by 15%.
- Led junior designers and coordinated high profile runway shows, enhancing Maufachi's brand visibility.

Senior Fashion Designer (Iffyldesign)
2021 – 2024

- Completed all duties under budget in every production.
- Consulted with 5-7 clients per day to discuss their preference styles and ideas for commission.

- Sketched artist and fresh design for consideration.
- Collaborated with a material purchasing specialist to meet production requirements and quality standards.

BImbally Fashion School
2018 - 2021

- Managed the entire product design process from initial market research to mood board creation to sketching/designing to delivering end products.
- Supported multiple senior fashion designers with various duties as assigned and worked on the design of multiple clothing pieces.
