JOHNSON IFEYINWA OLUWASEUN
Architect | Design Strategist
Lagos | ifyseun1@gmail.com | Tel: +2348144534195 | LinkedIn: https://www.linkedin.com/in/johnson-ifeyinwa-a7806

PROFESSIONAL SUMMARY

Detail-oriented Architect with over 4 years of experience in architectural design, construction documentation, 3D modeling, and on-site supervision. Proven ability to translate conceptual designs into detailed working drawings, manage technicians, and deliver projects with high client satisfaction. Strong knowledge of sustainable design principles, building regulations, and construction methods. Adept at collaborating with multidisciplinary teams to meet project timelines and quality standards.

CORE COMPETENCIES

- Architectural Design and Space Planning
- Construction Drawings and Documentation
- 2D and 3D Modeling
- Site Supervision and Quality Control
- Material Research and Specification
- Client and Stakeholder Coordination
- Project Scheduling and Team Management

PROFESSIONAL EXPERIENCE

Debozgini , Lekki, Lagos
Architect / Design Strategist
November 2023 – Present

- Developed architectural designs, construction drawings, and 3D models for residential and renovation projects.
- Researched and specified appropriate construction materials to meet design, budget, and sustainability requirements.
- Managed daily work schedules of technicians and ensured compliance with design intent.
- Conducted site monitoring to ensure workmanship met quality and safety standards.
- Achieved over 90% client satisfaction based on post-project reviews.

D207 Design and Project Limited, Lekki, Lagos (NYSC)
Design Architect
November 2022 – October 2023

- Converted conceptual designs into detailed architectural drawings including floor plans, elevations, and sections.
- Maintained quality control standards for accurate measurements and construction documentation.
- Conducted site inspections to assess construction suitability and environmental impact.
- Collaborated with project teams to resolve technical issues and review project schedules.
- Assisted in material research and specification for ongoing projects.

Avozaza Nauveau Global Concept Limited, Abeokuta, Ogun
Design Architect
October 2021 – October 2022

- Produced detailed architectural drawings and 3D visualizations for residential and commercial projects.
- Applied innovative design solutions aligned with aesthetics, functionality, and safety standards.
- Coordinated technicians' workflow to meet project deadlines.
- Conducted material research and supported construction documentation.
- Delivered projects resulting in high client approval ratings.

Drashkem Integrated Services, Asokoro, Abuja
