Interests

Reading and journaling;analytical and data research; DIY and home improvements projects; travel and cultural discoveries

My peak passion tells alot about my hunger for exploring new places and learning about different cultures, traditions, and hospitality styles. This broadens my worldview and refines my customer-relations approach, without fail as often as possible I endeavour to engage in writing and digital storytelling to share insights on lifestyle, wellness, and motivation — improving my communication, persuasion, and marketing abilities, I also enjoy organizing social gatherings, charity programs, and professional events — experiences that enhance my creativity, attention to detail, and ability to manage logistics effectively.

Organisations

Go greener, *Logistics assistant*

06/2024 – 05/2025
Obadore, Lagos, Nigeria.

- Coordinated the distribution of cleaning materials, gloves, and waste bags to volunteers.
- Helped plan and manage routes for the cleanup teams across designated areas.
- Ensured timely collection and proper disposal of waste in collaboration with local authorities.
- Assisted in setting up awareness banners and information booths for public sensitization.
- Recorded attendance and helped monitor supply usage to prevent shortages.
- Promoted teamwork and encouraged community members to maintain a clean and healthy environment.

Royal academy group of school, *Lab assistant*

01/2014 – 09/2016
Agbor, Delta, Nigeria

Royal Academic Group of School is a reputable educational institution committed to providing high-quality academic instruction, practical learning experiences, and fostering intellectual growth. The school emphasizes both theoretical knowledge and hands-on skills to prepare students for future professional and academic pursuits.

As a Lab Assistant, I supported the efficient operation of the school's science laboratory, ensuring a safe and organized environment for students and staff. My responsibilities included:

- Prepare and organize laboratory materials, reagents, and equipment for experiments.
- Assist researchers and scientists in conducting experiments and recording data accurately.
- Maintain cleanliness and organization of the lab, following health and safety standards.
- Calibrate and troubleshoot laboratory equipment as needed.
- Conduct routine tests and basic analyses under supervision.
- Manage inventories of chemicals, reagents, and lab supplies.
- Document experimental procedures and results for reports and record-keeping.
- Support quality control and ensure compliance with safety protocols.

Publications

Healing hands, *Emmy Elijah* 2023
Healing Hands is a comprehensive guide to achieving and maintaining optimal health, focusing on practical strategies that promote longevity, wellness, and overall vitality. The book explores general health practices such as balanced nutrition, regular physical activity, mental well-being, preventive care, and natural remedies, providing readers with actionable insights to enhance daily living. Written with clarity and empathy, it empowers individuals to take charge of their health through simple, sustainable habits, making wellness accessible to everyone.
