WEJE EVIDENCE EZINNE

FINANCE & INVESTMENT PROFESSIONAL

Rivers State, Nigeria | +2348165060051 | eviqueen1999@gmail.com

PROFESSIONAL SUMMARY

Finance and investment professional with five years of experience in the Nigerian fintech sector, with a strong focus on investment and trading. Experienced in foreign exchange (forex) markets, financial analysis, market research, and applying economic and accounting principles to financial decision-making. Combines practical trading experience with an academic background in Accounting and strong working knowledge of Microsoft Excel, Word, and PowerPoint. Comfortable analyzing financial information, identifying market trends, evaluating risk, and communicating financial insights clearly.

PROFESSIONAL EXPERIENCE

Windev Fintech Ltd — Nigeria

Investment & Trading Professional | 2020–2024

- Worked within the investment and trading function of a private fintech company, gaining practical exposure to financial markets and investment activities.
- Applied market analysis and economic principles to evaluate foreign-exchange opportunities and support trading decisions.
- Developed practical expertise in forex trading, including market monitoring, technical and fundamental analysis, trade planning, and risk awareness.
- Analyzed market conditions and price movements to identify potential trading opportunities while considering downside risk and changing market conditions.
- Used financial reasoning and quantitative thinking to assess trading scenarios and make informed decisions.
- Worked with financial information and maintained organized records and analysis using Microsoft Excel.
- Communicated financial and market-related information clearly and used Microsoft PowerPoint and Word for professional documentation and presentations.
