OLUBISI AMINAT ENIOLA

ARCHITECTURE GRADUATE | DESIGN • DOCUMENTATION • SITE SUPERVISION

14A Jebba Street, Ebute Metta East, Oyingbo, Lagos State • +234 907 616 4467 • olubisiaminat24@gmail.com • linkedin.com/in/aminat-olubisi

PROFESSIONAL PROFILE

Detail-oriented Architecture graduate with practical exposure to architectural design, drafting, construction supervision, project coordination, visual presentation, and project documentation. Hands-on experience using AutoCAD, Revit, SketchUp, PowerPoint, and Adobe InDesign to support design development and communicate project concepts effectively. Demonstrates strong organization, teamwork, adaptability, and a practical understanding of on-site project activities.

PROFESSIONAL EXPERIENCE

Torre Toro Projects | Graduate intern – Architectural Project Support

May 2026- Present

- Supported on-site project supervision by observing and monitoring construction activities and contributing to effective site coordination.
- Created professional mood boards and visual presentation materials using PowerPoint and Adobe InDesign to communicate design concepts clearly.
- Assisted with project documentation and organization of project records to support coordination, reporting, and smooth project workflows.
- Developed practical exposure to the relationship between design presentation, documentation, and on-site project execution.

MC Dreams | SIWES Intern

June 2024 – December 2024 | Kaduna State

- Assisted with building construction supervision and daily project coordination.
- Documented project progress through reports, photographs, and videos for project records and monitoring.
- Collaborated with labourers, subcontractors, and equipment operators to support day-to-day site activities.

Allied Associate Ltd | SIWES Intern

July 2024 – October 2024 | Kaduna State

- Supported office-based architectural design tasks and preparation of project documentation.
- Used AutoCAD, Revit, and SketchUp to assist with architectural drawings and 3D visualizations.
- Gained practical exposure to professional architectural workflows, design development, and project delivery.
