OBJECTIVE

To pursue and develop a professional career in a performance driven organization that gives me every opportunity to excel, using my strong analytical skill to achieve my organization's corporate goals.

WORK EXPERIENCE

✓Manager/Procurement Director

Whyte Farms and Feed | Ondo

June 2023 to September 2026

Managed the procurement of feed, medications, fertilizers, equipment, and other farm inputs, ensuring timely availability of resources to support operational requirements.

Negotiated with suppliers and vendors to secure competitive pricing, favorable contract terms, and consistent product quality, contributing to cost reduction and operational efficiency.

Planned and coordinated purchasing activities based on production forecasts, inventory levels, and budgetary requirements to prevent shortages and minimize waste.

Maintained accurate inventory records, monitored stock levels, and implemented inventory control measures to optimize resource utilization and reduce carrying costs.

Evaluated supplier performance, maintained strong vendor relationships, and identified alternative sourcing options to improve supply chain reliability.

Prepared procurement reports, expenditure analyses, and budget forecasts, providing management with data-driven insights for strategic decision-making.

Collaborated with production and operations teams to align procurement activities with organizational objectives and production schedules.

Oversaw logistics and distribution of farm products, coordinating with buyers, transport providers, and stakeholders to ensure efficient delivery and customer satisfaction.

Supervised support staff.

✓Branch Manager

LAPO MICROFINANCE BANK | Osun

September 2019 to December 2022

Managed the day-to-day operations of the branch to achieve business and financial targets.

Developed and implemented strategies to increase deposits, loans, and customer acquisition.

Supervised and motivated branch staff, setting performance targets and conducting appraisals.

Ensured compliance with banking regulations, internal policies, and risk management procedures.

Oversaw loan processing, appraisal, approval, disbursement, monitoring, and recovery.

Maintained high-quality loan portfolio by minimizing non-performing loans (NPLs).

Built and maintained strong relationships with customers, community leaders, and business partners.

Prepared and presented periodic financial, operational, and performance reports to management.

Managed branch budgets, expenses, cash flow, and operational efficiency.

Resolved customer complaints promptly while maintaining excellent service standards.

Conducted market research to identify business opportunities and expand the bank's market share.

Ensured proper security and safeguarding of cash, assets, and confidential customer information.

Coordinated staff training and ensure adherence to ethical banking practices.

Monitored branch profitability and implement strategies to improve revenue and reduce costs

✓Loan Officer

LAPO Microfinance Bank | Ibadan

July 2015 to August 2019

Identified and marketed loan products to prospective customers.

Met loan disbursement and recovery targets.

Interviewed loan applicants and assesswed their financial needs.

Collected and verified documents required for loan applications.

Conducted credit analysis and evaluated applicants' repayment capacity.

Recommended loan approval or rejection based on risk assessment.

Monitoree loan repayments and followed up on overdue accounts.

Built and maintained strong relationships with clients.

Educated customers on loan terms, conditions, and repayment schedules.

Prepared loan reports and maintain accurate customer records.

Ensured compliance with company policies and financial regulations.

✓Chemistry Teacher

Divine Providence College | Benin City

April 2014 to July 2015

As a Chemistry Teacher, I was responsible for planning, organizing, and delivering curriculum -based lessons to students while ensuring the achievement of academic objectives and performance targets. I developed lesson plans, managed classroom activities, assessed student progress, and maintained accurate academic records.

I coordinated laboratory practical sessions, ensuring compliance with safety standards and

effective utilization of resources. I also analyzed student performance data, implemented improvement strategies, and collaborated with colleagues, parents, and school management to enhance educational outcomes.

Through this role, I developed strong skills in project planning, stakeholder engagement, team collaboration, time management, problem-solving, reporting, and performance monitoring, all of which are directly applicable to project management and organizational leadership positions.EDUCATION

Bachelor of Science – Biochemistry

University of Benin, Benin City | September 2009 – January 2013

Diploma in Desktop Publishing

Multivision Computer Institute, Benin City. 2007
