Professional Summary

UI/UX and Product Designer with a background in Graphic Design, Visual Communication, and Computer Science. Experienced in translating ideas and user needs into clean, intuitive interfaces through user research, information architecture, user flows, wireframing, prototyping, responsive UI design, and design systems. Strong visual-design foundation in typography, colour, layout, branding, and hierarchy, with hands-on Figma experience and a focus on creating digital products that are clear, usable, and visually engaging.

Professional Experience

Graphic Designer / Photographer / Director 2024 – 2026

Delight Pro Studio

- Create digital and visual experiences with strong attention to hierarchy, typography, colour, composition, and audience needs.
- Collaborate with clients to understand requirements, present concepts, incorporate feedback, and refine designs through multiple iterations.
- Apply visual communication and problem-solving skills that support user-centered interface and product design.

Graphic Designer / Manager 2019 – 2024

Kenzy Concept Production

- Designed branding, marketing materials, social media creatives, and digital content for varied client needs.
- Managed design projects from concept through delivery while maintaining consistency, clarity, and visual quality.
- Worked closely with clients to translate ideas into practical visual solutions and respond to feedback.

Sales Assistant / Front Desk 2018 – 2019

Tembas Gases & Allied Company

Supported customers, handled front-desk responsibilities, and communicated with clients to understand and respond to requests.

Computer Operator 2017 – 2018

Ministry of Agriculture and Rural Development

- Handled computer-based administrative tasks, document preparation, data processing, and general digital operations.
- Developed practical technology, organization, and attention-to-detail skills.

Education

Diploma in Product Design 2026
Product Design University Africa (PDUAfrica)

Bachelor of Computer Science 10/2010 – 05/2015
Michael Okpara University of Agriculture Abia, Nigeria
