PROFESSIONAL SUMMARY

I am a Freelance Brand and Visual Designer with one year of design experience creating promotional graphics, apparel designs, product labels, packaging concepts, and motion graphics. Skilled in Canva, CapCut, PixelLab, Adobe Photoshop, and Adobe Lightroom, with a strong understanding of typography, colour coordination, and visual composition. Open to graphic design employment, remote opportunities, contract projects, and internships where I can contribute creative skills, strengthen my professional expertise, and gain further industry experience.

DESIGN SKILLS

Graphic Design & Advertising | Motion Graphics | Packaging & Label Design | Apparel Design | Typography & Layout

DESIGN TOOLS

Canva | CapCut | PixelLab | Adobe Photoshop | Adobe Lightroom

EXPERIENCE

Freelance Brand and Visual Designer | One Year

- - Create flyers, posters, advertisements, and other promotional graphics.
- - Design product labels, packaging concepts, and apparel graphics.
- - Create concept animated advertisements and promotional videos.
- - Use colour, typography, and layout to make designs clear and engaging.

SELECTED DESIGN PROJECTS

Graphic Design & Advertising: Promotional flyers, food menus, posters, smartphone ads, and beverage advertisements.
Motion Graphics: Animated food menus, perfume and gaming ads, smartphone advertisements, and fashion promotions.
