PROFESSIONAL PROFILE

I have experience in sales and customer engagement, with interests in food safety, quality, food security, and digital skills. I am eager to learn, gain practical experience, solve real world problems, and grow professionally through training and entry-level opportunities.

EXPERIENCE

Sales Representative 2023 - present
MAMUDA Foods ,Nigeria Ltd

- Engaged customers directly, explained product offerings, and responded to product-related enquiries.
- Supported sales activities by identifying customer needs and maintaining positive customer relationships.
- Expanded practical market coverage across five Local Government Areas through field-based product promotion.
- Strengthened hands-on experience in product marketing, customer engagement, and sales execution.

Sales Assistant 2013 - 2021
EkpoJosco Nig. Ent. , Uyo Akwa Ibom State.

- Assisted customers in identifying suitable building materials and tools based on their needs.
- Explained product features, uses, and prices to customers.
- Handled customer enquiries and supported daily sales activities.
- Maintained positive relationships with customers and contributed to the smooth operation of the shop.
- Gained practical experience in retail sales, product knowledge, customer service, and business operations.

National Service 2026 - present
National Youth Service Corps (NYSC) Abia State, Nigeria

Currently undertaking the NYSC programme, with an interest in developing transferable skills, gaining practical experience, and exploring professional opportunities.
